Semester courses register twice a year: January and July (Business & General Studies N4 – N6)

Year courses National Certificate (Vocational) NCV Level 2 – 4 registers once a year in January

APPLICATIONS AND ADMISSION REQUIREMENTS

For post-matric programmes applicants must have passed Grade 12 / N3 / Level 4 or equivalent qualification. Use June and September results for early applications. For admission to the pre-matric programmes a minimum of a Grade 9 certificate is required.

REGISTRATION / ENROLMENT PROCEDURES

Campuses can be contacted for registration dates; fees and commenc

- Proof of residential address and relevant contact details
- Money for kits, stationery and learning material (where applicable)
- Preferably accompanied by a parent / guardian if under 18

REGISTRATION / ENROLMENT PROCEDURES

Foreign students must have their certificates evaluated by SAQA. They must have a valid study permit until the end of the relevant study period. Certificates can be evaluated by SAQA: Postnet Suite 248 / Private Bag X06, Waterkloof, 0145 or visit their website www.saqa.org.za

COURSE FEES

Northlink College prescribes course (study) fees which are determined prior to the beginning of each academic year. All fees must be paid in full before a student can be granted permission to write a national examination.

DHET TVET COLLEGE BURSARY

In order to be eligible to apply for the DHET College bursary, a student must meet the following eligibility criteria:

- Only South African Citizens are eligible for this bursary scheme;
- A student must be registered or intending to register for a NCV or Report 191 programme (N1 to N6);
- Financially needy students with evidence of good academic potential;
- Evidence of good academic performance should be provided for all levels.

DHET TVET College Bursary Scheme: (All bursary applications are subject to approval.) This is a bursary (not a loan) and students do not have to pay it back.

Please contact the campus for further information regarding bursary requirements and documentation.

EVALUATION AND EXAMINATION

Programmes are theoretically assessed by means of tests and assignments. Since practical competency is continually evaluated, 100% class attendance is compulsory. A theoretical examination takes place in June and November for Business & General Studies and at the end of each trimester for Engineering Studies. Practical evaluation is done throughout the course. It is the responsibility of the student to ensure that he / she is registered for the National examinations and for the correct subjects. A minimum year mark is required to enter for the National examinations as well as 80% class attendance.

SPORT

Social and professional club sport includes soccer, rugby, athletics, cricket, hockey and netball.
